I just got out of rehab, and
they say the third time's a
lucky one.

Well, my friends, I hope the
thirty-second time is the
one which works for me.

While I shouldn't joke
around or take anything for
granted, I've been told that

red curry pancake
mix/paste is the worst, and
even the strongest potions
from Ward Five's GIG-GIS

Rehab Center can't
overcome its power.

However, everything at
home seems to be in its
place, except that my key
no longer fits the lock.

Is that weird?
I might have been upset

before, but seeing all my stuff on the sidewalk has me having no trouble finding it, and I even made \$1.95 because a passerby thought I was having a yard sale.

That's enough for me! I'm heading to FamilyMart to stock up on red curry pancake paste until my next payday comes.
